

Please do NOT allow the proposed rule changes that would give LPFM a priority over FM translator service be enacted. If this leaves us with out our K-Love signal, it would be devastating!

In our area (interior of Alaska) K-Love is the only station of it's kind! It's all we listen to at work. The effect on the local community would be very negative. There is only one other Christian station in the area, but it caters to older more traditional people. The positive, encouraging music is something that is needed in this day and time. Thank you for your consideration in this matter.
